Sir:

SECOND REQUEST FOR A CERTIFICATE OF CORRECTION UNDER 35 USC §254

On August 3, 2006, the undersigned filed a Certificate of Correction requesting that a Certificate of Correction be issued that corrects the third named inventor's name from "Tak da" to --Takeda--.

Upon review of the file, the undersigned found that the Form PTO-1050 attached to the August 3, 2006 Certificate of Correction incorrectly identified the second named inventor as "Tsutomu Tsutomu" when the correct name should have been --Tsutomu Nakamura--.

A substitute Request for Certificate of Correction was then filed on August 15, 2006.

On September 19, 2006, the undersigned received a Certificate of Correction for the above-referenced patent, correcting the third named inventor's name from "Tak da" to --Takeda--, but erroneously identifying the second named inventor as Tsutomu Tsutomu.
